

BURGLAR CHOKED WOMAN

Tried to Make Her Tell Where Valuables Were Concealed.

Bedford, Ind., Sept. 20.—With intent not only to rob, but to murder, if necessary, a burglar entered the residence of A. C. Voris, the assistant president of the Citizens' National bank in the morning hours.

The marauder entered through the second story window, the room occupied by Miss Anna Guthrie, a domestic. She was awakened by the robber, who choked her nearly to death, demanding money and also to know where her employers kept their jewels and money.

With hands tightly clasped around her throat he made repeated threats to kill her if she made any outcry.

The turmoil, the woman fighting for her life, awakened the family and neighbors, whereupon the burglar fled, securing but little booty.

Voris has been ill, and this evidently was known by the burglar.

Miss Guthrie's throat is badly swollen and discolored, as she was choked until the blood steamed from her mouth.

FAST MAIL IS WRECKED.

Several Persons Injured in Accident on New York Central.

Utica, N. Y., Sept. 20.—The fast mail, westbound, on the New York Central railroad, was wrecked about five miles east of this city at about 8:45 Thursday morning.

It was stated at the office of the New York Central railroad that the train wrecked was a newspaper and mail train which left New York for Buffalo at 3:05 a. m. A few miles east of Utica the train ran into two light cars which had been derailed by the breaking of a freight train on the east-bound track. The engine and one mail car of the mail train were derailed, and the engineer, John F. Jones, was injured. There was one passenger coach in the mail train. At its own fault, as were also the other two hands.

Fortunately I insisted upon having Foley's Honey and Tar in the yellow package, and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." J. W. McCollum & Co.

Of Interest To Women.

To such women as are not seriously out of health, but who have exacting duties to perform, either in the way of household care or in social duties and functions, which seriously tax their strength, as well as nursing mothers, Dr. Pierce's Favorite Prescription has proved a most valuable supporting tonic and invigorating nerve. By its timely use, much serious sickness and suffering may be avoided. The over-tiring time and the nervous, kindly, would it be believed, seldom have to be employed if this most valuable woman's remedy were resorted to in good time. "The Favorite Prescription" has proven a great boon to expectant mothers by preparing the system for the coming of baby, thereby rendering childbirth safe, easy, and almost painless.

Bear in mind, please that Dr. Pierce's Favorite Prescription is not a secret or patent medicine, against which the most intelligent people are quite naturally averse, because of the uncertainty as to their composition and harmless character, but is a MEDICINE OF KNOWN COMPOSITION, a full list of all its ingredients being printed, in plain English, on every bottle wrapper. An examination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemically pure, triple-refined glycerine taking the place of the commonly used alcohol in its make-up. In this connection it may not be out of place to state that the "Favorite Prescription" of Dr. Pierce is the only medicine put up for the cure of women's peculiar weaknesses and ailments, and sold through druggists, all the ingredients of which have the unanimous endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as remedies for the ailments for which "Favorite Prescription" is recommended. A little book of these endorsements will be sent to any address, postpaid, and absolutely free if you request same by postal card, or letter, of Dr. R. V. Pierce, Buffalo, N. Y.
